To: The Shareholders of CAB Cakaran Corporation Berhad

Dear Sir / Madam,

PROPOSED RENEWAL OF THE AUTHORITY FOR THE PURCHASE OF THE COMPANY'S OWN ORDINARY SHARES OF UP TO TEN PER CENTUM (10%) OF THE COMPANY'S TOTAL NUMBER OF ISSUED SHARES ("PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY")

1. INTRODUCTION

On 20 December 2019, the Company announced its proposal to seek a renewal of an existing authorisation from its shareholders to purchase shares of the Company up to ten per centum (10%) of the total number of issued shares of CAB through the Bursa Securities pursuant to Section 127 of the Act and any prevailing laws and regulations issued by the relevant authorities at the time of purchase.

At the 17th AGM held on 22 March 2019, the Company had obtained from its shareholders, the authorisation for the Company to purchase up to ten per centum (10%) of the total number of issued shares of CAB. The authority obtained shall lapse at the conclusion of the forthcoming 18th AGM unless a renewal of the authority of share buy-back is obtained from shareholders of CAB. In view thereof, a renewal of the authority for the purchase of its own shares is sought from shareholders for the Proposed Renewal of Share Buy-Back Authority by way of an ordinary resolution.

The purpose of Part A of this Circular is to provide you with details of the Proposed Renewal of Share Buy-Back Authority, to set out the recommendation of the Board and to seek your approval for the ordinary resolution to be tabled at the 18th AGM. The Notice of the 18th AGM and the Form of Proxy are enclosed in the Annual Report for the financial year ended 30 September 2019.

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

2.1 Quantum and Funding

Arising from the migration to the no par value regime under the Act, par value is no longer relevant pursuant to the Act. As at LPD, the issued capital of the Company stood at RM135,862,421.68 comprising 662,174,203 Shares. The maximum number of shares that may be bought-back of up to ten percent (10%) of the total number of issued shares of CAB will include all shares which have been previously bought-back and retained as treasury shares.

The authority from shareholders, if renewed, shall be effective upon the passing of the Ordinary Resolution for the Proposed Renewal of Share Buy-Back Authority at the 18th AGM and will continue to be in force until:-

- (a) the conclusion of the next annual general meeting of the Company following the general meeting at which such resolution is passed, at which time the authority will lapse unless renewed by ordinary resolution, either unconditional or subject to conditions; or
- (b) the expiration of the period within which the next annual general meeting of the Company is required by law to be held; or
- (c) the authority is revoked or varied by an ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever occurs first.

Paragraph 12.10(1) of the MMLR stipulates that the Proposed Renewal of Share Buy-Back Authority must be made wholly out of retained profits of the listed company. The maximum amount of funds to be allocated for the Proposed Share Buy-Back will be subject to the retained profits of the Company. The actual number of Shares which may be purchased and the timing of the purchase(s) will depend on, inter-alia, the market conditions, the availability of retained earnings and financial resources of the Company as well as the Bursa Securities requirement to maintain the necessary shareholding spread and minimum issued share capital.

Based on the latest audited financial statements of CAB as at 30 September 2019, the Company's retained earnings was RM8,881,042.

The funding of the Proposed Renewal of Share Buy-Back Authority will be through internally generated funds and/or bank borrowings, the proportion of which will depend on the quantum of purchase consideration as well as the availability of any internally generated funds and borrowings and repayment capabilities of CAB Group at the time of purchase(s). As such, the funding is not expected to have a negative bearing on the cash flow position of CAB Group.

The amount of funds to be utilised for the Proposed Renewal of Share Buy-Back Authority will only be determined later depending on the actual number of CAB Shares to be purchased, the availability of funds at the time of purchase(s) and other relevant cost factors.

2.2 Treatment of Shares Purchased

Pursuant to the provisions of Section 127(4) of the Act, the Directors may deal with the Shares in the following manner:-

- (i) cancel the Shares so purchased;
- (ii) retain the Shares so purchased in treasury, to be distributed as dividend to the shareholders and/or to be resold on the market of Bursa Securities and/or to be subsequently cancelled; or

(iii) retain part of the Shares so purchased as treasury shares and cancel the remainder.

While the Purchased CAB Shares are held as treasury shares, the rights attached to them as to attending meetings, voting, receiving dividends and participation in other distributions whether cash or otherwise shall not be conferred to the holder of such treasury shares and the treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in CAB for any purpose including substantial shareholdings, take-overs, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

An immediate announcement will be made to Bursa Securities in respect of your Directors' decision on the treatment of shares purchased.

2.3 Pricing

Under the provisions of Paragraph 12.17 of the MMLR, the Company may only purchase its own Shares on Bursa Securities at a price which is not more than 15% above the weighted average market price for the Shares for the five (5) market days immediately before the date of the purchase. Under the provisions of Paragraph 12.18 of the MMLR, the Company may only resell the Purchased CAB Shares held as treasury shares on Bursa Securities at:-

- (a) a price which is not less than the weighted average market price for the Shares for the five (5) market days immediately before the resale; or
- (b) a discounted price of not more than five percent (5%) to the weighted average market price for the Shares for the five (5) market days immediately before the resale provided that:-
 - (i) the resale takes place not earlier than thirty (30) days from the date of purchase; and
 - (ii) the resale price is not less than the cost of purchase of the Shares being resold.

2.4 Public Shareholding Spread

As at LPD, the public shareholding spread of the Company was approximately 32.93%. The public shareholding spread is expected to be reduced to approximately 25.54% assuming the Proposed Renewal of Share Buy-Back Authority is implemented in full and all the Shares so purchased and cancelled. In this regard, the Board undertakes that the purchase of Shares will be conducted in compliance with the 25% public shareholding spread as required by the MMLR.

2.5 Implication relating to the Code

Under the Code, a director and any person acting in concert with him or a relevant shareholder will be required to make a mandatory general offer for the remaining ordinary shares of the Company not already owned by him/them if his/their stake in the Company is increased to beyond 33% or if his/their existing shareholdings is between 33% and 50% and increases by another 2% in any subsequent 6 months' period.

Notwithstanding the above, such person and any person acting in concert may make an application to the Securities Commission for an exemption from a mandatory general offer under Paragraph 24.1 of Practice Note 9 of the Code.

As at the date of this Circular, the Company has yet to decide on the percentage of its own shares to be purchased pursuant to the Proposed Renewal of Share Buy-Back Authority. In any case, it is not the intention of the Company to cause any shareholder to trigger an obligation to undertake a mandatory general offer under the Code and the Company will be mindful of the above implications of the Code in making any purchase of its own shares under the Proposed Renewal of Share Buy-Back Authority.

2.6 Advantages and Disadvantages

The potential advantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are outlined in Section 3 of this Statement.

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority to the Company or its shareholders are as follows:-

- (i) the Proposed Renewal of Share Buy-Back Authority, if implemented, would reduce the financial resources of the Group and may result in the Group foregoing better investment opportunities that may emerge in future; and
- (ii) the Proposed Renewal of Share Buy-Back Authority may also reduce the amount of resources available for the payment of cash dividends to shareholders of CAB.

However, the financial resources of the Group may increase pursuant to the resale of the Purchased CAB Shares held as treasury shares at prices higher than the purchase price. In that regard, the Company would buy back the Shares only after your Directors have given due consideration to the potential impact on the Group's earnings and financial position and your Directors are of the opinion that it would be in the interests of the Company and the minority shareholders to do so.

2.7 Purchase of its own shares in the preceding twelve (12) months

The Company has not made any purchase of its own Shares in the previous twelve (12) months proceeding to the date of this Circular. The total number of shares bought back and held as treasury shares as at LPD was 545,500. The Company has not resold, cancelled and/or distributed any treasury shares as dividends in the same period.

2.8 Historical Share Prices

The monthly highest and lowest transacted prices of the Shares on the Bursa Securities for the past twelve (12) months from January 2019 to December 2019 are as follows:

Month	High RM	Low RM
January 2019	0.570	0.491
February 2019	0.674	0.511
March 2019	0.645	0.575
April 2019	0.625	0.560
May 2019	0.615	0.520
June 2019	0.545	0.500

(Source : Bursa Securities)

The last transacted price of CAB Shares on 8 January 2020 being the date prior to the printing of this Circular, was RM0.405.

3. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-Back Authority is expected to benefit the Company and its shareholders as it may enhance the Net Assets of the Company. In turn, long term investors are expected to enjoy a corresponding increase in the value of their investment.

It is not expected to have any potential material disadvantage to the Company and shareholders as it will be exercised only after considering the financial resources of the Group and resultant impact on Shareholders.

In the event the treasury shares are distributed as share dividends to shareholders, it will serve as a reward to shareholders of the Company.

4. FINANCIAL EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

4.1 Share Capital

The effect of the Proposed Renewal of Share Buy-Back Authority on the issued share capital of the Company will depend on whether Purchased CAB Shares are cancelled or retained as treasury shares. The Proposed Renewal of Share Buy-Back Authority will result in a reduction of the issued share capital of the Company if the Purchased CAB Shares are cancelled.

In the event the Proposed Renewal of Share Buy-Back Authority is implemented in full and all the Purchased CAB Shares are subsequently cancelled, the proforma effects on the issued share capital of CAB as LPD, are as follows:-

	Number of Shares
Existing issued share capital as at LPD	662,174,203*
Cancellation of Purchased CAB Shares	66,217,420
Issued share capital after the Proposed Share Buy-Back and cancellation	595,956,783

*(Note: *This is inclusive of 545,500 CAB Shares held as treasury shares as at LPD)*

However, the Proposed Renewal of Share Buy-Back Authority will have no effect on the issued share capital of the Company if all the Purchased CAB Shares are to be retained as treasury shares, resold or distributed to the shareholders.

4.2 NA per Share

The Proposed Renewal of Share Buy-Back Authority may increase or decrease the NA per Share depending on the purchase price(s) of the Shares bought back. The NA per Share will increase if the purchase price is less than the NA per Share and will decrease if the purchase price exceeds the NA per Share at the time when the Shares are purchased.

In the event that the Purchased CAB Shares which are retained as treasury shares are resold, the NA of the CAB Group will increase or decrease depending on whether a gain or a loss is realised upon the resale. The quantum of the increase or decrease in NA will depend on the actual disposal price and the number of the Purchased CAB Shares, retained as treasury shares, which are resold.

4.3 Working Capital

The Proposed Renewal of Share Buy-Back Authority will reduce the working capital of the CAB Group, the quantum of which depends on the actual purchase price and number of Shares purchased. However, it is not expected to have a material adverse effect on the working capital of the Group. If Purchased CAB Shares are treated as treasury shares and subsequently resold on Bursa Securities, the working capital of the Group will increase if the Company realizes a gain from the resale.

4.4 EPS

The effect of the Proposed Share Buy-Back on the EPS of the Group will depend on the purchase price(s) of the Shares and the actual number of Shares bought back. The reduced issued share capital subsequent to the Proposed Shared Buy-Back will generally have a positive impact, all else being equal, on the Group's EPS.

4.5 Dividends

The Proposed Share Buy-Back may reduce the amount of distributable reserves available for payment of dividend in the immediate future.

5. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' INTERESTS

The effects of the Proposed Renewal of Share Buy-Back Authority on the shareholdings of the directors and substantial shareholders based on the CAB's Registers of Directors' Shareholdings and Substantial Shareholders as at LPD will be as follows:-

(i) Directors

2.4 Proposed Shareholders' Mandate

The details of the nature and estimated annual value of the RRPT in respect of which the Company is seeking renewal of mandate and a fresh mandate from its shareholders as contemplated under the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholder' Mandate are set out in Appendix I of this Circular.

3. GUIDELINES, METHODS AND PROCEDURES IN RELATION TO RRPT

CAB Group has established and implemented the following guidelines, methods and procedures to ensure that recurrent related party transactions are not to the detriment of the minority shareholders and are undertaken at arm's length and are on normal commercial terms which are not more favourable to the related party than those extended to the public:-

- (a) The scope and definition of arm's length and normal commercial terms are clearly stated and the procedures and guidelines in determining the pricing, quality, reasonability, fairness and so forth for CAB Group's best interest together with the class of related parties and nature of transactions be laid out in a list and regularly updated from time to time to be circulated within CAB Group to all Executive Directors and relevant Department Heads with notification that all recurrent related party transactions are to be undertaken at arm's length and are on normal commercial terms which are not more favourable to the Related Party than those extended to the public.
- (b) The transaction prices and the terms and conditions are determined by current market forces under similar commercial terms and normal trade practices for transactions with third parties.
- (c) All recurrent related party transactions shall be tabled at the Audit Committee Meeting for review on quarterly basis. The Audit Committee shall have the right to engage independent advisers or experts, if required, for the purpose of performing an independent and balanced assessment, evaluation and comparison of transaction price, terms and conditions pertaining to the recurrent related party transactions.
- (d) The Board and the Audit Committee shall approve the guidelines, methods and procedures with authority to delegate to the Company's Internal Auditors to review the procedures and to give their recommendations.
- (e) The Group Finance Director shall maintain a record of all recurrent related party transactions which have been approved by shareholders. The purpose of the said record is to ensure that all relevant approvals have been obtained and procedures have been complied with.
- (f) The Internal Audit Manager shall review all recurrent related party transactions to ensure that they comply with the guidelines and procedures set up and to report on its findings to the Audit Committee.
- (g) If during the quarterly review, the Audit Committee should be of the view that the guidelines and review procedures are no longer appropriate or adequate to ensure recurrent related party transactions are carried out on normal commercial terms or be prejudicial to shareholders, the Company will seek a fresh mandate from shareholders based on new guidelines and review procedures.

Sales of chicks, feed and farm consumables, live and processed chicken and provision of slaughtering services

Where practical and/or feasible, at least two (2) other contemporaneous transactions with unrelated third parties for similar products and/or quantities will be used as comparison for determining the price and terms offered by/to the Related Parties are fair and reasonable as compared with those offered by unrelated third parties.

For provision of slaughtering services, market slaughtering charge rate, as may be obtainable, will be used for assessment.

In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction prices will be reviewed by the Executive Directors provided they are not parties to the transactions to ensure that the RRPTs are not detrimental to CAB Group.

Tenancy

The determination of rental payable on factory building is already based on the prevailing market rental rates and hence, no other comparative pricing was made. As regards to the rental of poultry farms, the rate will be based on similar commercial terms for transactions with third parties, business practices and policies and on terms which are generally in line with industry norms.

The terms of the pricing of the above RRPTs are always consistent with the CAB Group's usual business pricing practices and policies. Hence, the pricing is not more favourable to the transacting parties than to the public and not to the detriment of the minority shareholders of CAB.

4. STATEMENT BY AUDIT COMMITTEE

The Audit Committee of the Company has seen and reviewed the procedures mentioned in Section 3 above and is of the view that the said procedures are sufficient to ensure that the RRPTs are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders.

The Audit Committee is also of the view that the CAB Group has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner. The Audit Committee has reviewed these procedures and processes on a quarterly basis.

5. RATIONALE AND BENEFITS FOR THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE AND THE PROPOSED NEW SHAREHOLDERS' MANDATE

The rationale for and benefits of the Proposed Renewal of Shareholders' Mandate and the Proposed New Shareholders' Mandate to CAB Group are as follows:

- (a) The Proposed Renewal Shareholders' Mandate and the Proposed New Shareholders' Mandate will facilitate transactions with Related Parties which are carried out in the ordinary course of business of CAB Group and are made on an arm's length basis and on terms not more favourable to the Related Parties than those generally available to the public and not in the Company's opinion detrimental to the minority shareholders.
- (b) The Proposed Renewal of Shareholders' Mandate and the Proposed New Shareholders' Mandate will enhance the CAB Group's ability to pursue business opportunities, which may be of time-sensitive in nature and it may not be practical to seek shareholders' approval on a case-by-case basis before entering into such transactions.
- (c) The transactions between the Related Parties allow the CAB Group more efficient utilisation of existing resources, prompt delivery and better bargaining power from reliable suppliers.
- (d) The Proposed Renewal of Shareholders' Mandate and the Proposed New Shareholders' Mandate will eliminate the need to make regular announcements or convene separate general meetings from time to time to seek shareholders' mandate approval as and when potential RRPT with a mandated Related Parties arise, thereby reducing the administrative time and expenses in convening such meetings, without compromising the corporate objectives and adversely affecting the business opportunities available to the Group.

FURTHER INFORMATION

1. DIRECTORS' RESPONSIBILITY STATEMENT

This Circular has been seen and approved by the Directors of CAB who collectively and individually accept full responsibility for the accuracy of the information given and confirm that after making all reasonable enquiries, to the best of their knowledge and belief, there are no other facts, the omission of which would make any statement herein misleading.

2. MATERIAL CONTRACTS

Save as disclosed below, neither CAB nor any of its subsidiaries have entered into any material contracts (not being contracts entered into in the ordinary course of business) within the two (2) years preceding the date of this Circular:-

- 2.1 On 7 April 2017, CAB entered into a non-binding letter of intent with FELCRA Food Industries Sdn Bhd and mutually agreed to explore the possibility of collaboration in the agriculture and aquaculture business activities. Both parties have yet to reach a formal agreement on this matter.

On 15 January 2019, CAB has received a letter dated 14 January 2019 from FELCRA notifying CAB that FELCRA was not ready to explore the possibility of collaboration in the agriculture and aquaculture business activities with CAB.

- 2.2 On 7 June 2017, CABG, a wholly-owned subsidiary of CAB had entered into a Memorandum of Understanding ("MOU-Panasonic") with Panasonic Eco Solutions Malaysia Sdn. Bhd. to carry out a feasibility study for establishing a joint solar farm project known as ECONATION II PROJECT in Kedah, Malaysia, and to jointly prepare and submit Request For Proposal of Large Scale Solar photovoltaic plant to the Energy Commission in Peninsular Malaysia. The MOU-Panasonic is valid for 24 months from the date of signing of the MOU-Panasonic.

On 7 June 2019, both parties have mutually agreed not to extend the MOU and hence the MOU is considered lapse since 6 June 2019.

- 2.3 On 20 September 2018, AKFI, a 58.23%-owned sub-subsidiary company of CAB, had entered into three (3) Sale and Purchase Agreements and two (2) Supplemental Agreements in relation to the acquisition of properties with the following vendors:-
- i. the Sale and Purchase Agreement dated 20 September 2018 entered into between AKFI as the Purchaser and Ayam Kempas Sdn. Bhd. ("AKSB") as the vendor ("SPA 1") for the acquisition of all that piece of land known as GM 302, Lot 429, Mukim Tebrau, Daerah Johor Bahru, Negeri Johor, measuring approximately 1.9653 hectares, together with a single storey detached chicken slaughtering factory known as Lot 429, Jalan Seelong Jaya 13, 81400 Senai, Johor, with a built-up area of 43,800 square feet ("the Property 1"), for a total purchase consideration of RM14.3 million to be satisfied by way of combination of cash and issuance of ordinary shares in AKFI ("the Acquisition 1");
 - ii. the Supplemental Agreement dated 20 September 2018 entered into between AKFI as the Purchaser and AKSB as the vendor ("Supplemental SPA 1") for the acquisition of all the plant and machinery situated in the Property 1 and the vehicles belonging to AKSB, for a total purchase consideration of RM12.351 million to be satisfied via cash ("the Acquisition 2");
 - iii. the Sale and Purchase Agreement dated 20 September 2018 entered into between AKFI as the Purchaser and Goh Sing Leng as the vendor ("SPA 2") for the acquisition of all that piece of agricultural land known as GM 55, Lot 490, Mukim Serkat, Daerah Pontian, Negeri Johor measuring approximately 1.3809 hectares ("Lot 490") together with fowl houses erected on Lot 490 (collectively referred to as "the Property 2"), for a total purchase consideration of RM1.19 million to be satisfied entirely via cash ("the Acquisition 3");

- iv. the Supplemental Agreement dated 20 September 2018 entered into between AKFI as the Purchaser and Hon Fu Farming Sdn. Bhd. ("HFF") as the vendor ("Supplemental SPA 2") for the acquisition of all the vehicles situated in the Property 2 belonging to HFF, for a total purchase consideration of RM0.223 million to be satisfied entirely via cash ("the Acquisition 4");
- v. the Sale and Purchase Agreement dated 20 September 2018 entered into between AKFI as the Purchaser and Goh Sing Leng and Wong Siew Nyun as the vendors ("SPA 3") for the acquisition of all that piece of land known as Geran 237249, Lot 35256, Mukim Kulai, Daerah Kulai, Negeri Johor measuring approximately 153 square meters together with an immediate lot three storey terrace shophouse known as No. 50, Jalan Enau 15, Taman Teratai, 81300 Johor Bahru, Johor with a built-up area of 4,863 square feet, for a total purchase consideration of RM0.8 million to be satisfied entirely via cash ("the Acquisition 5").

(ii) Termination of Supplemental SPA 2 due to termination of SPA 2.

Save for the above termination of the Acquisition 3, Acquisition 4 and Acquisition 5, the balance purchase consideration have been paid in full pursuant to SPA 1 and Supplemental SPA 1 in relation to the acquisition of the Property 1 and all the plant and machinery situated in the Property 1 and the vehicles belonging to AKSB, hence marking the completion of the Acquisition 1 and the Acquisition 2.

Barring any unforeseen circumstances, JTC will handover the possession of the Properties to THPP 2 months before the Commencement Date and confirmation of tenure within 2 years from the Commencement Date. No further announcement will be made to Bursa Malaysia Securities Berhad on the confirmation of tenure.
